

# Thanks for Helping Us Identify These Important Chiropractic Trailblazers!

## One “Mystery Man” Remains Unidentified!

**By Margie Brace**  
Vice Chair, Board of Directors  
Chiropractic Federal Credit Union

In the September / October 2013 edition of the *Journal*, we asked for your help in identifying some Michigan chiropractic pioneers in some photos given to us by Dr. Henry Malec of Plymouth. Dr. Malec couldn't identify everyone in the pictures, and we knew that you could help!

And help you did! We have been able to identify the following chiropractic trailblazers in the photo at right. So if you can shed some light on the identity of the “mystery man” between Dr. Sandeck and Dr. Jabczynski, please contact me, Margie Brace,

by email at [margiebnrthvll@yahoo.com](mailto:margiebnrthvll@yahoo.com).

And a special thanks to those of you who contacted me after the initial article last September. Thanks also to Dr. Malec for passing along these important images.

Here at CFCU, we continue to strive to learn more and more each day about the credit union's formation and history!
